FOR SALE

A320 Advanced Flight Simulation Training Device

FEATURE HIGHLIGHTS

- Realistic A320 fiberglass / metal cockpit enclosure, mounted on a heavy-duty metal frame platform, with fully adjustable, A320™ replica pilot seats.
- Backlit cockpit panels complete with realistic knobs, switches, and buttons.
- Microprocessor controlled, dual side-sticks, with trim, and stick dampening.
- Microprocessor controlled, dual rudders, with trim, and pedal dampening.
- Realistic throttles, spoilers, flaps, gear, and tiller controls.
- Realistic representation of thrust reversers, deploy and stow functions.
- Realistic representation of Fly-By-Wire flight control system functions.
- Realistic dual PFD, MFD, ECAM, and standby instruments, using high-resolution LCD displays.
- Integrated dual FMGS with accurate representation of keys and color LCD display.
- Realistic Electrical, Hydraulic, pneumatic, a/c, APU, Anti-icing, Fire, and Auto-Throttle systems.
- Realistic flight dynamics derived from manufacturer specifications.
- Realistic digitized sound effects, using Bose™ premium sound system with powered subwoofer.
- Realistic Enhanced EGPWS system with multiple callouts.
- Multiple selection of Warning and Caution EICAS messages.
- Highly accurate Mode Control Panel, with integrated Autopilot.
- Pilot controlled PFD / MFD with NAV, Plan, Compass, and Radio modes.
- Realistic representation of various other cockpit features, for procedural use.
- Accurate NAVDATA / AIRAC based navigation database with available updates.
- Dual Jeppesen Electronic Flight Bags (EFBs) with dual, independent, touch-screen LCD displays.
- Dedicated, "Graphical Instructor's Console and Station" (GICAS™), with four, 19" LCD monitors.
- Multi-segment, 200 degrees, curved screen, overhead projection, ultra-high resolution Visuals.
- Accurate representation of terrain, airport and runway environments.
- Dedicated image generators, main server computers, and professional metal computer cabinet.
- Complete set of Operating Manuals, Training Manuals, and other technical documentation.
